INSTRUCTIONS FOR PRESENTATIONS TO THE BOARD BY PARENTS AND PUBLIC

Ingenium Schools welcomes your participation at its board of trustees meetings. The purpose of a public meeting of the board of trustees ("board") is to conduct the affairs of Ingenium Schools in public. Your participation assures us of continuing community interest in our charter schools. To assist you in the ease of speaking/participating in our meetings, the following guidelines are provided:

- "Oral Communications" is set aside for members of the audience to raise any issues or concerns they may have regarding agenda or non-agenda items. However, due to public meeting laws, the board can only listen to your issue, not respond or take action. These presentations are limited to a maximum of three (3) minutes and a targeted time allotment for non-agenda and agenda items to not exceed fifteen (15) minutes. The board may give direction to staff to respond to concerns or the item may be added to a future meeting agenda for discussion/action.
- Speakers will be asked to complete a brief comment card, indicating the topic they would like to speak about with the board.

- When addressing the board, speakers are requested to state their name and adhere to the time limits.

Agendas are available to all audience members on the school's website 72 hours prior to the meeting time. <https://ingeniumschools.org/board/livestream/> Any public records relating to an agenda item for an open session of the board that are distributed to all, or a majority of all, of the board members shall be available prior to the meeting for public inspection on the Ingenium Schools website. Permanent copies of all meeting-related documents are maintained on-site at the Ingenium Schools office.

This board meeting is held in compliance with the Americans with Disabilities Act. In compliance with the Americans with Disabilities Act (ADA) and upon request, Ingenium Schools may furnish reasonable auxiliary aids and services to qualified individuals with disabilities. *Individuals who require appropriate alternative modification of the agenda in order to participate in board meetings are invited to contact the Ingenium Schools at 626.766.9670 and we will make every effort to accommodate timely and reasonable requests to ensure all stakeholders can participate in the board meetings.*
