Karen McKinley, WOSC /Karen.McKinley@warrencountyesc.com

Hey, what's new in the world of ELA??? ODE has been updating our standards; the good news is that the majority of changes are vocabulary/clarifying in nature. Of course, there are a few new tidbits and twists that will be part of our AIR and EOC exams this year. Let's take a look at the crosswalk, talk about what instructional strategies we might need to modify and how we are going to define mastery.

Can't wait to meet you!

HANDOUTS: You will receive a copy of the new ELA crosswalk. (Check w/Betsy for a copy)
