Communication & Score Reporting,

Join https://groupme.com/join_group/99937154/j4dalmFs for tournament updates and score reporting. Scores should be reported in a clear manner. Specify the division, teams, and score, and please use the school name, not your team name

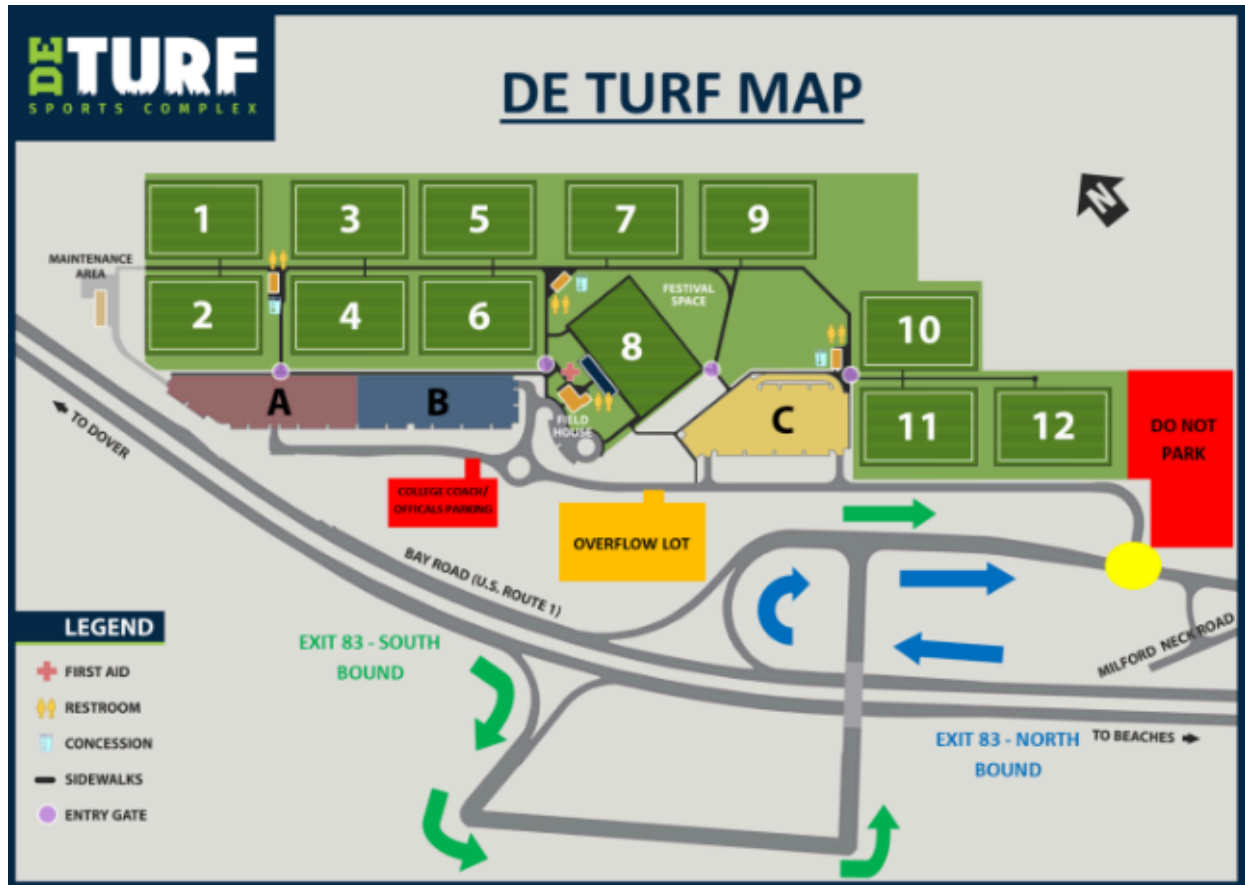

Example: W: Colorado 13 - Florida St 11

Field Address, Parking, and Maps

DE Turf Sports Complex

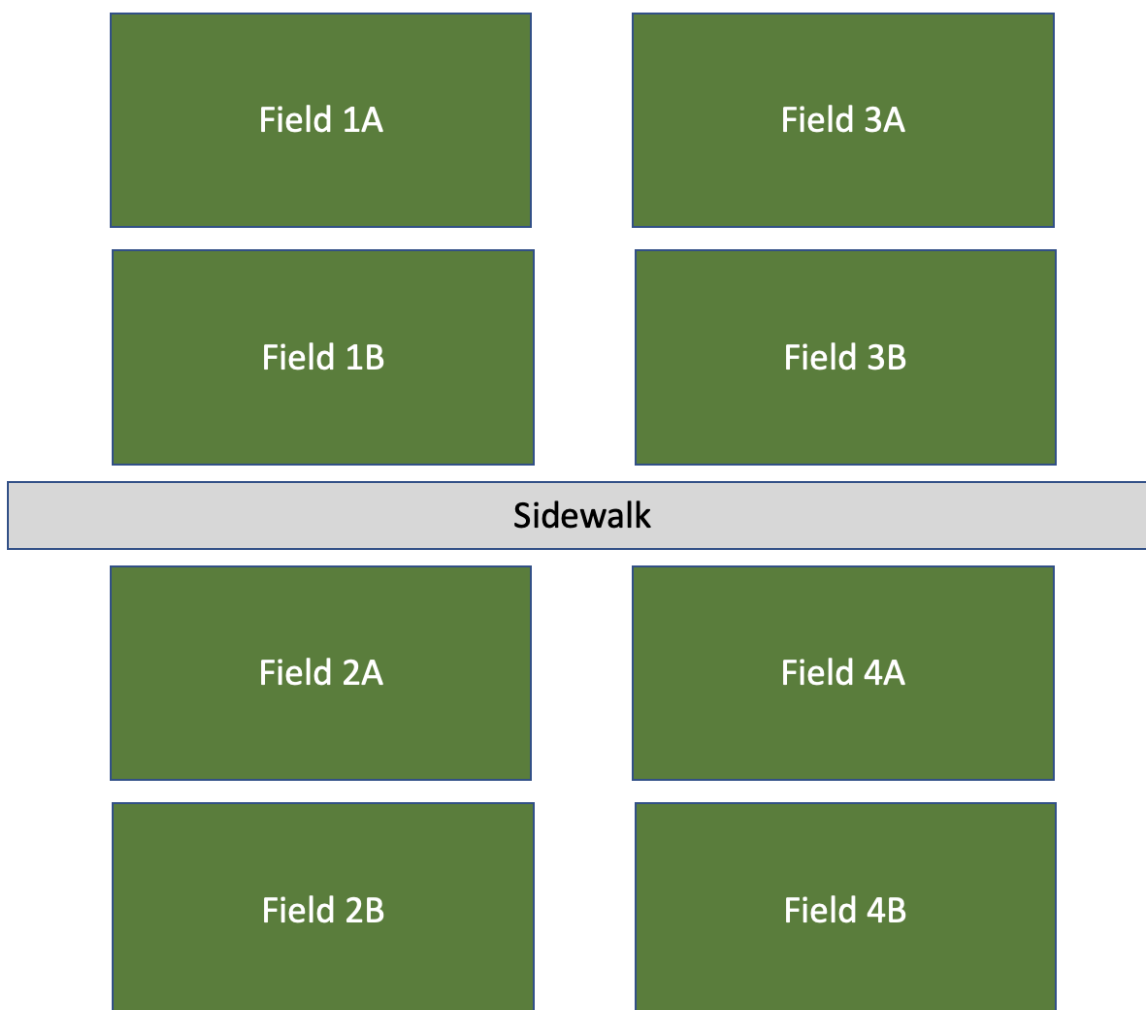

4000 Bay Rd, Frederica, DE 19946

Parking is \$15/day. You can pay via the ParkMobile app or at the gate entrances.

Fields

Each field is split into 2 lined ultimate fields. Each A field is the upper field (further from the parking lot), each B field is the lower one (closer to the parking lot).

Tournament Central, Trainers, and Bathrooms

Tournament Central is located at the corner of fields 5, 6, and 7.

Trainers are spread throughout the complex. One is at between fields 1-4, one is at Tournament Central, and the third is between Fields 7 and 9.

Bathrooms are located at the corner of Fields 1-4, near Tournament Central, and near Field 10. There is also a bathroom near Field 8, but that field is not in use for this event.

Food and Water - IMPORTANT

There will be water jugs along the main sidewalk between Fields 1 and 2, Fields 3 and 4, and Fields 5 and 6, and on the sidewalk alongside Fields 7, 9, and 10. If any of these become empty, please send a message in the GroupMe and we will get it refilled.

Food was a bit of an issue last year. DE Turf has updated and clarified their policy here.

Athletes are permitted drinks and snacks, including coolers. However, outside meals/catering are not permitted. DE Turf will have concessions open and food trucks available. During byes, you can leave to go get lunch, but don't bring back a pizza and try to

bring it onto the fields (This happened last year and we specifically got in trouble about it). If you do get outside food, you have to eat it in the parking lot. And if your team likes to set up a food table, maybe try to not set it up right in front of a concession stand.

Warm Up Locations

Games are taking place on fields 1-7, 9, and 10. There are grassy areas around the complex that are available for warmups. Other turf fields may be open as well. Please share space with other teams.

Tournament Rules

Caps

Game to 15

Half Cap: 40 Minutes

Soft Cap: 80 Minutes

Hard Cap: 90 Minutes

Half Time: 7 Minutes

Timeouts: 1 per half and a floater

No Timeouts in Hard Cap.

We should have an airhorn for caps, but the field complex is large and it's unlikely it will be heard everywhere. Please be sure to set alarms.

Format

Saturday will be a Match Play format. Every team is in a single pool and plays 4 different teams on Saturday. Teams will play more than 1 team from their region, and no more than 2 teams from the same region. There is an emphasis on competitive games as well, which means schedules are weighted. Higher rated teams (as of the 3/16 update on frisbee-rankings) tend to have stronger schedules than lower rated teams.

At the end of Saturday's games, teams will be ranked 1-30 based on the following criteria:

1. Saturday record
2. Modified USAU algorithm

A version of the algorithm will be run based only on Saturday's games which will give every team a rating. This will be used to separate teams with identical records. For example:

1. Team A: Record 4-0, Rating 1800
2. Team B: Record 4-0, Rating 1700
3. Team C: Record 4-0, Rating 1650
4. Team D: Record 3-1, Rating 1680
5. Team E: Record 3-1, Rating 1500

Even though Team D has a higher rating than Team C, Team D has a worse record and will be seeded below them entering Sunday. ***This does not include teams' current ratings. This event will assume all teams start at the same level on Saturday, so only those days games will factor into the ratings.***

Sunday's schedule will be bracket play. The top 8 ranked teams based on the above will play in the 1st place bracket. Teams 9-16 will play in the 9th place bracket. Teams 17-24 will play in the 17th place bracket. Teams 25-30 will be split into consolation pools and then have a crossover game for final placement.

Saturday's schedule is listed below for convenience. Highlighted games are scheduled to have observers.

Inclement Weather

Rain

All fields are turf, so play will continue unless it becomes unsafe.

Thunder/Lightning

DE Turf will sound a horn if there is lightning or thunder within a 10 mile radius of the fields. In this event, play must cease immediately for 30 minutes or until there is an "all clear" signaled (3 horns). All participants should seek shelter in their vehicles.
