## POLICY UPDATES

### #330 Curriculum Development and Improvement

We discussed, and the committee approved, bringing forward to the next regular board meeting (December 12 @ 6PM) a first read of an addition to the current policy #330 in regard to curriculum transparency and procedures to allow for transparency between the school and parents/guardians with respect to course materials.

### #411.1 Student Bullying and Harassment

This policy was updated 5 years ago. There aren't any changes to the policy, but several changes to this policy's Rules. There is one section to add to the exhibit and a full new, 4 part section of Rules, on reporting and responding to bullying.

### #411.3 Children in and out of Foster Care

This policy was updated 5 years ago. We removed the memorandum of Understanding and updated the title of the policy from "Foster Care Children" to "Children in and out of Foster Care".

### #420 School Admissions

This policy was updated 5 years ago. We will replace the prior policy with the newly worded policy from WASB.

### #424 Participation of Non-public school Students in District Courses, Programs, and Activities

### #447.1 Staff Use of Physical Force/Restraint and Seclusion

This is a policy that needs to be reviewed each year. There are not any recommended changes at this time.
