**XI INTERNATIONAL
SCIENTIFIC AND PRACTICAL CONFERENCE
«ZOOBOTIC INFECTIONS OF CURRENT INTEREST»**

The second information letter

*Irkutsk
September 10-12, 2026*

Website:

<https://congress-event.ru/zoonoznyye-infeksii-10-09-2026-eng>

Dear Colleagues!

We invite you to take part in the International Scientific and Practical Conference «Zoonotic infections of current interest»

The scientific program of the Conference will include plenary sessions, symposia and poster session. Speakers participating in person will be issued personal certificates of participation. Participants of the conference will be able to make a presentation using the remote access technologies (online broadcast of the event via a private link). There is the possibility of remote participation without a talk or presentation, for this you also need to go through the registration procedure.

THE CONFERENCE IS ORGANIZED BY:

- Scientific Centre for family health and human reproduction problems (SC FHHRP), Irkutsk, Russia
- Irkutsk State University (ISU), Irkutsk, Russia
- Irkutsk State Medical University (ISMU), Irkutsk, Russia
- Irkutsk Antiplague Research Institute of Siberia and Far East
- National Center for Zoonotic Diseases Mongolia (NCZD), Ulaanbaatar, Mongolia
- National Center for Communicable Diseases Mongolia (NCCD), Ulaanbaatar, Mongolia
- Mongolian National University of Medical Sciences (MNUMS), Ulaanbaatar, Mongolia
- Autonomous non-profit organization "Congress Service"

The aim of the conference is the development of international cooperation in science and education

Venue: FSPSI “Scientific Centre for family health and human reproduction problems”, 16 Timiryazeva st., Irkutsk; website: <https://health-family.ru>; phone/fax: +7 (3952) 20-76-36

MAIN TOPICS:

1. Basic research into the biology of zoonotic pathogens: viruses, bacteria, fungi; evolutionary processes; genetic diversity; mechanisms of pathogenesis in humans and animals; processes of pathogen adaptation to the host organism;
2. Epidemiology and epizootology of infections common to humans and animals: current situation and forecasting;
3. Ecology of zoonotic infections: biodiversity, distribution, and population structure of animal hosts and vectors of infections; the role of animal migrations in the spread of zoonotic infections; the evolution of natural landscapes as a driver for changes in the activity of natural foci of infections;
4. Recent advances in diagnostics, prevention and treatment of zoonotic diseases;

5. Modern technologies for monitoring zoonotic infections: geographic information systems, methods for modeling epidemic and epizootic processes, methods for assessing landscape changes, artificial intelligence, decision-making systems.

HONORARY CHAIRS OF THE ORGANIZING COMMITTEE:

Lubov Rychkova, (Irkutsk, Russia), corresponding member of the Russian Academy of Sciences, DSc in medicine, director of the Scientific Centre for family health and human reproduction problems.

Lubov Kolesnikova (Moscow, Russia), scientific director of SC FHHRP, Academician of Russian Academy of Sciences, DSc, Professor, Honored Scientist of the Russian Federation;

CO-CHAIRS:

A.F. Schmidt, Rector of the Irkutsk State University, DSc, Professor;

A.V. Shcherbatykh, Rector of the Irkutsk State Medical University, MD, DSc, Professor;

S.V. Balakhonov, Director of the Irkutsk Antiplague Research Institute of Siberia and Far East, MD, DSc, Professor;

B. Amgalanbayar, General Director, National Center for zoonotic diseases Mongolia, MD, PhD;

N. Tsogbadrakh, Counselor at the NCZD, PhD, Professor;

S. Enkhbold, General Director, National Center for Communicable Diseases Mongolia, MD, PhD;

D. Tsend-Ayuush, Dean of School of Mongolian medicine, MNUMNS, MD, PhD, Professor;

O.B. Ogarkov, Deputy Director at the SC FHHRP, Director of the Institute of epidemiology and microbiology SC FHHRP, DSc.

Galina Danchinova, leading researcher at the SC FHHRP, DSc;

SCIENTIFIC COMMITTEE:

Kolesnikov S.I., Academician of Russian Academy of Sciences, DSc, Professor, Honored Scientist of the Russian Federation;

Semenova N.V., deputy director at the SC FHHRP, DSc, Professor RAS;

Khasnatinov M.A., chief researcher at the SC FHHRP, DSc;

Matveev A.N., Director of the Institute of biological sciences, Irkutsk State University;

Malov I.V., Rectorate counselor, Irkutsk State Medical University, MD, DSc, professor;

D. Tserennorov, scientific secretary at the NCZD Mongolia; PhD;

B. Uyanga, international cooperation manager at the NCZD Mongolia, PhD;

G. Orgilbold, Head of the Parasitology Laboratory at the NCCD Mongolia, MD;

N. Oyuntsetseg, Head of the Department of Traditional Therapy at MNUMS, PhD;

Shestopalov A.M., Director of the Research Institute of Virology FRC FTM, DSc, professor;

Yashina L.N., leading researcher at the State Research Center of Virology and Biotechnology VECTOR, DSc.

ORGANIZING COMMITTEE:

Liapunova N.A., PhD, executive Secretary (mobile phone: +7 (914) 914 02 11, e-mail: labtinf@yandex.ru, SC FHHRP;

Novgorodova Y.Y., SC FHHRP

Kurashova N.A., SC FHHRP

Solovarov I.S., SC FHHRP

Podkamennaya N.A., SC FHHRP

Bolgova E.K., SC FHHRP

Khamnueva N.V., SC FHHRP

Shubin V.Yu., SC FHHRP

L. Rolomjav, MSc, NCZD

Krivoshein S.I., SC FHHRP

Petrova D.R., SC FHHRP

Podrezova S.V., SC FHHRP

OFFICIAL LANGUAGES:

Russian, English.

REGISTRATION FEE

No registration fee required

APPLICATION PROCEDURE

1. Complete the Registration form at the website of the conference: <https://congress-event.ru/zoonoznyye-infeksii-10-09-2026>.

Everyone who would like to participate in the conference in-person but without the presentation should complete separate Registration form and underline the option “accompanying participant” in the point 4.

2. Send the Abstract by e-mail to labtinf@yandex.ru for Natalia Liapunova, executive Secretary (mobile phone: +7 (914) 914 02 11) **before 11.07.2026**;

ABSTRACT GUIDELINES

1. The abstract must be written in Russian or in English. In Russian, the title, authors' names and their affiliations must be translated in English;

2. The abstract should be submitted as MS Word file in formats *.doc, *.docx or *.rtf. The file name should be composed as follows: «Abstract_Zoo26_SurnameInitials of first author» (for example, «Abstract_Zoo26_SmithJY»);

3. The abstract should be formatted according to the template, published at the conference website and available by the link

<https://congress-event.ru/zoonoznyye-infeksii-10-09-2026/templates-eng>;

4. The size of abstract is up to 1000 words, the symbols should be inserted only using the «Insert > Symbol» function. Only corresponding keyboard language should be used to prepare the abstract text;
5. Abstracts must be submitted by e-mail to lbtinf@yandex.ru only.
6. The accepted abstracts will be published in the electronic collection of conference materials with the assignment of the international ISBN index and indexing in the RSCI. Materials will be published in the author's edition.

PRESENTATION GUIDELINES:

The oral presentation should be prepared in PowerPoint format; the duration of talk is 15 min. The oral presentation file should be formatted according to the template available via the link

<https://congress-event.ru/zoonoznyye-infeksii-10-09-2026/templates-eng>;

The poster presentation should be prepared in PowerPoint format according to the template published at the conference website

<https://congress-event.ru/zoonoznyye-infeksii-10-09-2026/templates-eng>.

COMPETITION OF SCIENTIFIC PRESENTATIONS:

1. All conference speakers who present oral or poster papers in-person become participants in the conference paper competition;
2. The authors of the best oral and poster presentations will be awarded a certificate for free publication of one article in one of three journals, i.e., in «Acta Biomedica Scientifica» (Scopus, <https://www.actabiomedica.ru/jour/about>) - 4 certificates, OR in «The bulletin of irkutsk state university. Series «Biology. Ecology» (<https://izvestiabio.isu.ru/ru>) - 3 certificates, OR in the «Baikal Medical Journal» (<https://www.bmjour.ru/jour>) - 3 certificates.
3. A selection committee made up of Organizing Committee representatives will pick the competition's winners. Six criteria will be used to evaluate the presentations. 1) Relevance of the study; 2) The consistence of the methods and approaches with the declared aim of research; 3) The novelty and uniqueness of the results; 4) The scientific relevance of the results; 5) The practical relevance of the research findings; and 6) The report's coherence, accessibility, and persuasiveness.
4. Articles will be accepted according to the journal's guidelines. In the "Comments for the Editor" section, please indicate: "Winning article of the paper competition of the XI International Scientific and Practical Conference «Zoonotic infections of current interest» ". The certificates will be valid for one year from the date of issue by the organizing committee.

All the correspondence to the Organizing committee should be labeled with «conference 2026»

IMPORTANT DATES:

- 11.07.2026** **Deadline for Abstract submission**
- 28.07.2026 The Conference program will be sent to participants on 28th of July 2026.
- 05.08.2026 The electronic collection of conference abstracts will be compiled by 05.08.2026.
- 03.09.2026 If you need the assistance with airport\rail station transfer, please provide the details of your arrival or departure in Irkutsk before 03 September 2026.
- 12.09.2026 г. The best presentations will be selected before 12.09.2026 and the awards and winners will receive the journal certificates.

DEAR COLLEAGUES!
WE WILL BE HAPPY TO SEE YOU IN IRKUTSK!

We will be grateful if you spread this information among those interested in participating in the conference and publishing abstracts.

Sponsors are invited for financial support of the International Scientific and Practical Conference « Zoonotic infections of current interest»!
