Mini Bio: Originally from the Philadelphia area, I moved to Pasco when I was 7. I attended Pasco schools (Deer Park and River Ridge) and went to UNF for college. I grew up in a family of educators whose love and passion for education inspired me to be a teacher. The Philadelphia Eagles are my favorite team. I love hanging out with my husband Troy, son Declan (3 years old), and our dog Winston. I love all things Disney and Star Wars.
