

# Chamber Choir Attendance Policy

As a member of the RHMS Chamber Choir, you are expected to come to every rehearsal on the rehearsal calendar. This choir is a team and when we have team members missing, the entire group is held back from success. **Chamber choir rehearses every Monday and Wednesday from 3:00-4:00pm unless otherwise stated on the rehearsal calendar. Students need to be picked up promptly at 4:00pm.** If a student is habitually picked up late, Mrs. Greer will communicate with the parent to fix the problem. If the problem continues, the student will be removed from the group.

**If you have to miss a rehearsal, you need to communicate this information with Mrs. Greer.** You need to tell her yourself or have a parent send an email. Telling another student to tell Mrs. Greer does not count as communication. Once you communicate, you will be marked as an excused absence from rehearsal. Failure to communicate your absence to Mrs. Greer will result in an unexcused absence from rehearsal. **Each student will be allowed 3 excused absences per semester. If you have more than 3 excused absences or more than 1 unexcused absence in a semester, you will be removed from the group.**

If you play a sport or are in another club that conflicts with Chamber Choir rehearsals, you will be responsible for communicating with your coach and Mrs. Greer about which day(s) you will be at practice and when you will be at chamber choir rehearsal. During your sport's season, you will need to let Mrs. Greer know if you will be at practice on Monday, Wednesday, or both. If you fail to communicate your rehearsal day(s) or you do not show up to rehearsal, you will be removed from the group.

In order to perform at more events and to learn more challenging music, each student needs to make a commitment to this ensemble. We will not be successful unless every student is present and working hard.
