

The Civil War in 1 Word

DIRECTIONS: After looking at the pictures in class today, choose one word that you think would describe the feelings you have toward the Civil War. You will write that word on your paper and illustrate it in a way that supports the word.

Set up your picture like this:

To me, the Civil War was:

THE WORD YOU CHOSE

(The remainder of this space could be used to draw a picture or illustrate in a way that supports the word you chose above.)

Skill: Evaluate how cultural, economic, and political decisions influence people			
An "4" would include:	An "3" would include:	A "2" would include:	A "1" would include:
1 logical word chosen to describe the Civil War based on the pictures you saw in class and also an illustration that closely supports the word that was chosen.	1 word chosen to describe the Civil War based on the pictures you saw in class and also an illustration that supports the word that was chosen.	1 word chosen to describe the Civil War based on the pictures you saw in class and also an illustration about the word that was chosen.	A failure to identify a logical word or provide an illustration
