

5.0 Tic-Tac-Toe With Decimals

Materials: Set of Number Cards, Game Mat

1. Shuffle the cards. Place them face down in a stack.
2. The first player selects a card and places it on the game mat.
3. The second player selects a card and places it on the game mat.
4. Each player is trying to get a sum of five with three cards in a row. The rows can go across, up-and-down, or diagonally.
5. Players take turns selecting a card and placing it on the game mat.
6. The first player to make a row with a sum of five wins the round.
7. If no one makes a row that sums to five, the game is a tie.
