
Invitation: Ottawa Technical Secondary School Open House & Expression of Interest

Dear Grade 8 Students, Guardians, and Parents,

We are excited to invite you to discover Ottawa Technical Secondary School (OTSS) and learn about our unique focus on **technology and the skilled trades** within an adaptive learning context.

Open House Details

Join us at the OTSS Open House on **Wednesday, November 19th, from 6:30 p.m. until 8:00 p.m.**

- **Tour Our Facility:** Explore our state-of-the-art shops and classrooms.
- **Meet Our Educators:** Connect with the teachers who bring experiential learning to life.
- **Learn About the Trades:** Discover programs in construction, cooking, transportation, welding, and more!
- **Enjoy Refreshments:** Light snacks will be served.

First Step: Expression of Interest (EOI)

If you are considering OTSS for Grade 9, your **Expression of Interest (EOI)** is the vital first step.

- **What it does:** The EOI opens a direct conversation with our school. It allows us to review the student's profile and assess their fit for our specialized technology, skilled trades, and experiential learning environment *before* a formal offer of admission is considered.
- **How to submit:** Please complete the EOI form found on the OTSS website or by [clicking this link](#).

Once the EOI is submitted, an OTSS Vice-Principal will be in touch to arrange a follow-up discussion and, if you haven't attended the Open House, a personal school tour. Thank you for considering Ottawa Technical Secondary School as one of your high school options.

For any questions, please contact us at ottawatechnicalss@ocdsb.ca or **613-745-0347**.
