

Hello Seniors and Parents,

Our Studio is honored to have been selected by
Santa Cruz High School
to take your official Class of 2022 Senior Photographs

For your information, we photograph seniors during the summer so that each student can concentrate on photographs to represent their senior year.

We photograph in the summer to provide each student the choice of session and time. Once school starts students have other activities taking up their time.

To appear in the yearbook please view all the choices for **senior sessions** before making an appointment.

We will take the first wave of photographs for seniors in the front of Santa Cruz High School. Look for our van.
Please book early for better appointment choice. We are booking June 29th.

(If the available dates don't work, there will be future dates announced. Please call or email to get on a call back list, and we will respond when future dates become available.)

PLEASE KNOW AN APPOINTMENT CAN NOT BE BOOKED ON THE DAY OF THE SESSION.

Go to **www.vanzantes.com**, click on **directory**, click on **calendar**, and click your **school logo**.

<https://vanzantes.com/sytistvz/calendar/>

Then follow the prompts.

The website lets you make one appointment. To reschedule you will need to call or email for us to delete the already scheduled appointment.

On the session day, come early and be ready for photos. Allow 15-20 minutes of your time.

Within days the **upgraded senior session images will be put online for a two week period for viewing**, selecting yearbook choice, and ordering prints. **An account is required to view images on our website.** When you create an account you will select your personal password. But all image galleries are password protected for privacy with an additional password given to the student at the session. (Usually the student ID#.)

Please know **expired galleries can be put back online.** Just call us. (We can't leave everything online forever...)
