

**If you are experiencing an emergency, call 9-1-1.**

The Federal Government mandates that emergency plans for communities within a 10-mile radius of a nuclear power plant be provided to the public in the unlikely event of an emergency at the facility. The Town of North Andover is 16 miles or more from the Seabrook Nuclear Power Plant and beyond its mandated Emergency Planning Zone. As residents may have questions or travel to the area of the facility, the following information has been collated.

### **Nuclear Power Plant Public Safety**

#### **Nuclear Power Plant Emergency Safety Information**

An emergency situation at a nuclear power plant could result in a release of dangerous levels of radiation. This release could affect the health and safety of persons near the nuclear power plant.
