

# **MBA Middle School Volunteer Opportunities**

*Beyond the volunteer opportunities that are created through academic programming (Career Day, Junior Achievement, and Guest Speakers), there are additional opportunities to support the school community.*

## **Courtyard Beautification**

Every couple of years we have a group of parents come together to do a mass cleaning of the courtyard space. From trimming to weeding, this massive effort takes a few days of parents/guardians working alongside the Principal and some students to spruce it up and make it last. In the off years, the Environmental Club takes over!

## **The MBA Courtyard Needs Your Help!!!!**

**Please join us on Monday, September 20 and/or Monday, September 27 from 3:30 to 6:30 to kick off our Beautification of the Courtyard effort!**

Bring garden gloves, trowels, pruners, edgers, and other garden tools to get us started. We will work on one garden bed at a time to weed, tame, and beautify!

**If you are able to help, [please complete this form!](#)**

*(Bug spray is always a good defense!!!)*
