

Rubric for Elaborate Activities

<b>Problem Solving</b>	No errors when solving problems	Few errors when solving problems	Numerous errors when solving problems	Little or no understanding of the problem is evidenced
<b>Math Content</b>	Demonstrates a clear knowledge and application of math skills	Demonstrates a general knowledge and application of math skills	Demonstrates a limited knowledge and application of math skills	Demonstrates little or no knowledge and application of math skills
<b>Math Communication</b>	Accurately communicates solutions and concepts	Satisfactorily communicates solutions and concepts	Limited communication of solution and concepts	Inaccurately communicates solution and concepts
<b>Presentation</b>	Presented in an easy to follow model	Presented in a logical manner, though slightly difficult to follow	Presented in a manner that is difficult to follow and is not fully consistent	Unable to follow concept at all
<b>Use of Mathematical Terminology</b>	All Mathematical Terminology present and used accurately	Some mathematical terminology used correctly	Mathematical terminology present, but not used correctly	Mathematical terminology not present
