

I'd Like To Teach The World

*Adapted by Janet Wood
from a song by Roger Greenaway and Roger Cook*

I'd like to teach the world about
A place in Palestine
Where Coca Cola built a home
On land that's occupied
A settlement on stolen land
They call it Atarot
They profit from the breach of laws
That Israel long forgot.

Chorus

(It's the real thing)
I'd like to teach the world a song
Against apartheid
(Join the boycott today, one thing you can do)
A simple way to have your say
And stand with Palestine

I'd like to teach the world to sing
For basic human rights
For freedom and equality
Throughout old Palestine
Returning to the land they lost
And planting it with peace
With roots of justice in the soil
Beneath the olive trees.

Chorus
