WARHAWK BLACK AND SILVER CLUB FUNDRAISING

The Westerville Central Booster Clubs are proud to support the Black and Silver Club...

Westerville Central is home to 1,500 of the best students Westerville has to offer. We take pride in the education we provide as well as our vast co-curricular and extra-curricular offerings. Over the past year we have been working tirelessly to create a school culture where everyone feels welcomed, valued and supported.

A continuous goal of ours is to support, encourage and accommodate Westerville Central students with the means needed to graduate with success and move on to their next adventures with a quality foundation for a rewarding future. In doing this, we need to provide the financial resources for the leadership, facilities, services and support staff necessary to enrich the athletic, academic and social experience for current and future Westerville Central students and their families, and keep the Warhawk community as strong as ever moving forward.

Through collaboration and dialogue, we identified three core beliefs that are the blueprint of a Warhawk:

Relentless Pursuit of Growth – Pursue Excellence

Better Together – Think we, Not me

Own it – Make a difference, Act with purpose

These beliefs are our guidepost; our beliefs provide alignment in all we do. Our core beliefs provide the standards for how we behave towards each other, interact with our students, and partner with our families and community.

Our Warhawks, both past and present, have built a tradition of excellence that continues to grow each day. As we continue this journey to impact our students, we need your help to continue to meet the needs of each child in our school; your support is crucial to creating the success for each of our students.

Over the past year we have been able to improve many areas of our school to meet the needs of our students and teachers, which included supporting athletic programs, upgrading campus branding, enhancing facilities, funding for student trips, events, and meals, and additional educational opportunities for our numerous clubs and organizations.

Giving back is rewarding, but paying it forward makes the ultimate difference. Please help us in supporting future Warhawks and facilitating the growth of Warhawk Pride and the Warhawk Nation! There are several different levels of partnerships.
