

Makeathon Materials List

- Scrap wood (Lowe's donated this to us. It's from their shipments and a lot of it was really good stuff!)
- Plywood (We bought a couple sheets from Lowe's and asked them to cut it into assorted pieces because we didn't have any power tools for participants to use)
- PVC Pipe (we bought some longer pieces and an assortment of shorter pieces. Participants did have access to PVC cutters)
- PVC pipe fittings (make sure they match up with the size of PVC you get)
- Assorted nails and screws
- Assorted screw drivers (we ended up buying a set of 20 that we could reuse later on our makercarts)
- Hammers
- Rubber mallet
- PVC cutter
- Needlenose pliers
- Utility knives
- Scissors
- Tape measure
- Vinyl tubing
- Pulleys
- Eye hooks
- Assorted wooden dowels
- Insulated wire
