

Dear Parent/Guardian:

During the 2021-2022 school year, free lunch and breakfast were available to all students due to the Covid19 Pandemic. USDA has decided that breakfast and lunch will resume being full price beginning in August for the 2022-2023 school year. We appreciate your understanding as this was not a local decision, but a decision made by USDA and Federal Government. Your student(s) may qualify for free or reduced priced meals by filling out the 2022-2023 Iowa Application for Free & Reduced Price School Meals/Milk. If qualified, the reduced price is \$0.30 for breakfast and \$0.40 for lunch. Applications will be available starting July for the 2022-2023 school year. Information on full meal prices for the 2022-2023 school year will be available in the near future as well. In the meantime I am encouraging you to make a deposit into your child's lunch account now to help cushion the transition to full-pay meals next school year. If you have any questions or concerns, do not hesitate to reach out.

Thank you for your time.
