Dear Midview Staff and Families,

Please take a few moments to review some events.

Staff Appreciation Week May 2-6:

Please consider taking some time to thank our Midview Staff members next week. An email, call, card or in-person "thank you" can make all the difference in the world for our staff members. These amazing men and women work hard for our students and families and this is the week to show them just what they mean to us.

Elementary STEM Night and ARTastic:

We have two amazing events coming up this week. On May 4th our elementary schools will be having a STEM night. Please consider coming to this awesome event that starts at 5:30 pm.

ARTastic is our pre-k-12th grade art show. This is always a wonderful event and it will start at the HS at 3:00 pm on Thursday, May 5th.

Being able to have both of these events in-person and back on campus is super exciting! Come check them out.

Dangers of Social Media Presentation:

The Midview community is invited to attend a discussion about social media awareness facilitated by our Midview School Resource Officer, Deputy Lottman. Our Midview Link Crew students will be assisting Deputy Lottman to share their experiences with apps and some things they come across that adults may not know.

The Link Crew students and Deputy Lottman will review some of the new apps students use to message and communicate.This parent night is for any parent of a child that has a phone or access to the internet.
