Additional source type:		

2. Developing a Thesis: Briefly describe two or more differing stances or positions that you have encountered in your research regarding your event (stances may differ based on time period, opinion, fiction vs. nonfiction, etc.). Then list source titles or specific evidence/facts you have found in your research to support that stance.

STANCE #1:	STANCE #2:
Sources above that Support this Stance:	Sources above that Support this Stance:

NOTE: Feel free to describe other perspectives/stances that have emerged in your research on additional sheets! If you discover that your research has only one stance, you need to diversify your sources!

3. List one surprising detail or new idea about your event that you discovered in your research today:
