Belleville East Football Update: Lancers Head to Playoffs

Playoff Bound

The Belleville East Lancers have officially secured their spot in the IHSA playoffs with an outstanding record of 7 wins and 2 losses! This achievement reflects the team's hard work, determination, and unity throughout the season. From long practices in the heat to tough battles on the field, the Lancers have shown what it means to play with true Lancer spirit.

Ready for West Aurora

As they prepare to travel to West Aurora for their first playoff game this Saturday, November 1st, the energy for our team is high. Players are focused, motivated, and ready to give it their all as they continue their postseason journey.

Senior Night Victory

While everyone is excited for what's ahead, there's also a bittersweet feeling among the team. Underclassmen are realizing that these next few games will be their final moments on the field with the Class of 2026 seniors. The Lancers closed out their regular season with a win against Capitol City on Senior Night, celebrating both the seniors' leadership and the team's unity as they provided us with another Lancer Win one last time on our home field.

Good Luck, Lancers!

The coaching staff is incredibly proud of each player for their effort, commitment, and sportsmanship. They've not only represented Belleville East on the field but have also shown pride and responsibility as students and teammates off of it.

As the playoffs begin, the entire Belleville East community is behind the team. Lets show our support and cheer them on to victory!
