INFORMATION SHEET FOR
SUMMER REINFORCEMENT PROGRAM 2022

WHAT IS THE SUMMER REINFORCEMENT PROGRAM?

The Summer Reinforcement Program is a tutoring program open to any child, age 3 to 14 years, in Medina County. It is a classroom-setting program with tutoring emphasis on Math and Reading. There are no new materials introduced—only reinforcing and re-teach of basic classroom skills. Speech Therapy is a part of the program. The goal is to maintain the academic skills for kids over the summer months.

HOW OFTEN, WHEN AND WHERE IS THE PROGRAM IN SESSION?

The Summer Reinforcement Program (SRP) is starting its 49th year in 2022. The three-hour sessions will be held starting Monday, June 13, 2022, and end on Friday, July 15, 2022—from 9:00 am to 12 noon, Monday through Friday. The classes will be held at Blake Elementary School, 4704 Lexington Ridge Road, Medina, OH. The school is located off Route 3 South and also off Route 162.

WHAT ARE THE CLASSES LIKE?

Every effort is made to keep the classes small. If the schools or parents request Speech Therapy, our therapist will provide that service in a Resource Room or classroom setting. The classes are a structured schedule of academic skills. The emphasis is on Math and Reading skills, but many other activities are included. There are no textbooks, no grades, and no homework. Every effort is made to make the Program fun while the children learn.

HOW WILL ONE KNOW IF LEARNING HAS HAPPENED?

At the end of the Program, an evaluation report will be given to each family to share the child's progress. Skills and activities held during the five-week program will be listed so that parents will know what learning opportunities were provided. Parent conferences are encouraged. Parents are invited to observe their child in the classroom setting at any time.

WHAT ABOUT THE STAFF?

The Program is staffed with fully licensed teachers with appropriate experience/certification. Each classroom will have a Lead Teacher, an Assistant Teacher, and a teen/college aide. Many of the adult aides are employed during the year with school districts within the county. If needed, one-on-one aides are available. A Children's Literacy Program called "READING CLUB" and Autism services are provided.

HOW MUCH DOES THE PROGRAM COST?

The tuition fee for the 5-week program is $400.00* (*optional speech services – additional $50). Payment of $100.00 is due upon registration to hold a place. The balance of the tuition ($300) is due the first day of the program. There is a limited amount of financial assistance available. To qualify for financial aid, the family must write an honest letter requesting such and include it with the application. The letter should include why they need assistance. No rent or pay stubs are needed. A truthful letter will be sufficient. Classes fill quickly, and classes will be closed prior to the deadline if enrollment is full.

WHAT ABOUT COVID REQUIREMENTS?

Because the children are unprotected, masks will be required for both students and staff. Social distancing and hand sanitizers will be offered. Efforts will be made to follow the CDC requirements;

WHAT IF MY FAMILY GOES ON VACATION OR ATTENDS CHURCH CAMP?

Our schedule is flexible. If your child goes to camp, we will continue your child's program when he/she returns. There are many camp-offerings in the summer. We encourage each family to decide what camp program is best for their child. Frequently, children attend one or more programs throughout the summer. Sadly, there are no refunds for absent days or illnesses.

WHAT IF MY CHILD NEEDS SPEECH THERAPY?

Children who receive Speech Therapy during the school year or via a private therapist are eligible to receive Speech Therapy at SRP. We do require a current Speech IEP (Individual Education Plan) that lists the specific speech goals for your child. The Speech Therapist will follow that document to provide successful speech therapy sessions.

WHAT IS THE FUNDING SOURCE FOR THE SUMMER REINFORCEMENT PROGRAM?

The Summer Reinforcement Program is a Partner Agency of the United Way of Medina County.
