Gilman Seal
I sit alone in the center of campus
Never touch or step on me —
Or graduate, you never shall.

Hodson Study Room
If before class you haven't
Done your homework, you can enter this chamber
Under portraits of chairmen of the Board of Trustees.

President's Garden
There's fish in this pond if you look really close;
But don't jump in, you don't know what's there.
Or who's looking out from the house up above.

Hackerman Surgical Machine

Center for Social Concern

Counseling Center

News-Letter Office
This is the oldest building on this beautiful campus
And the home of one of an old publication.
Fun fact: There's a tunnel beneath it and the Sculpture Garden.
