Bonus #34: Article List Builder

Easy To Use Software Builds Your List From Article Content In Just 3 Simple Steps!

If you want to do email marketing, chances are you will do a lot of marketing stuff to find the right audience to optin into your squeeze page.

Well, one of those amazing strategies that already generated results is called content marketing. And inside this product is a piece of amazing software called Article List Builder that is a huge help for you to get started.

Bonus #35: Auto Sales Page Creator Software

1-Click Software Gives You 100 Of The Best Copy and Paste Sales Pages You Can Instantly Use To Sell Your Products And Services.

If you have a product to sell or launch, having a persuasive copy will give you a better conversation rate to your sales page.

The thing is that, if you are not good at copywriting, you might end up hiring someone to write it for you and the fact of the matter is that hiring an expert in copywriting is expensive.

Have you ever wished that there would be software that will instantly write a copy for your sales page? Well, inside this product is what you are looking for.

Bonus #36: Instant Squeeze Page Builder

Easy To Use Software Creates Complete Squeeze Pages In Seconds Just By Filling In A Simple Form - No Coding Required!

If you want to build an email list, squeeze pages are the most powerful tool to attract an audience to subscribe to your list. But the thing is that, still many are having the challenge of creating a squeeze page for their email marketing campaign.

The good news is that the Instant Squeeze Page Maker is a huge help in creating your squeeze pages with ease.

Here's what you can do with this powerful software:

- You can set the headline to be shown at the top of your squeeze page
- You can enter the text for your squeeze page
- You can optionally turn the text into bullet points automatically, to emphasize the benefits of subscribing
- You can include an image or photo of any gift you are offering
- You can paste your signup form from your autoresponder with a single click
- You can enter a privacy note to assure visitors that their details are safe
- You can allow visitors to skip your squeeze page, so those who don't want to subscribe can still reach your sales page (this is optional)
- You can set the color for all the different text items at once - or set the color for each item individually, all using a simple color selector
- You can automatically include special code to avoid showing the squeeze page in future to visitors who have already subscribed

Bonus #37: WP Email Timer Plus

WP Email Timer Plus is a plugin that allows you to create beautiful countdown timers even INSIDE your emails! This will help to increase conversions, sales and also click through rate inside your emails because the moment someone opens your email, they immediately see the timer ticking to zero and urging them to take action right away. Bonus #62: Turbo Dynamic URL

"Introducing the Most Effective, Fast and Empowering Affiliate Bonus Link Generation Software on the Market, Allowing You to Boost Your Affiliates' Efforts On Steroid!

Why most affiliate marketers don't make much money from their offers, because the majority of your affiliates are new to the industry.

Most of the time, these affiliates will feel self-pity and compare themselves to other tech-savvy affiliate marketers.

What this means is that, they may think that they can't do what other successful affiliate marketers can do especially in creating good-looking affiliate pages properly-designed for conversion.

The good news is that, what if you can help these affiliates to boost their conversion rate by simply providing them the same high-converting pages as other successful affiliate marketers?

All they have to do is just upload their pictures and insert their unique affiliate link to the page and BOOM they are good to go. Sounds good right?

Well, it seems that it is a huge task on your part but not anymore as inside this amazing tool, you are about to discover the solution of the said challenges of both product owners and affiliate marketers."

Bonus #63: Power List Pro

"Powerful WordPress Plugin Allows You To Add 'Entry & Exit' Popups To Your BLOGS To Promote Any Offer And Build Your Email List On Autopilot!

It doesn't matter which internet marketing expert or "guru" you talk to, they all agree – your email list is one of your most important assets as an internet business owner. In fact, even if you own an offline business, your email list may be the most important asset you own.

According to a study conducted by Smith-Harmon, The largest 100 online retailers sent an average 132 promotional email messages to each of their subscribers during 2009—an average 11 emails per month—up 12% from 2008 levels. Going into 2012 those numbers keep going up and more and more retailers are using email and mobile sms marketing."

Bonus #64: "Lead Filter WP Plugin

Bonus #92: Dynamic Flip Book

This is a brand new Flipbook plugin that uses WebGL to create super realistic 3D books, magazines, and brochures that will blow your readers away!

Bonus #93: Soci Video Gamer App

Engage and convert your visitors with interactive social network video puzzles!

The brandable HTML5 Social Video Puzzle is an interactive YouTube video puzzle game with social network share. It splits the video into several pieces, shuffles them and the user has to put them back into the correct order to claim your special offer. This script can be used for creating a “buffer” page for social media marketing or engaging landing pages to convert visitors. Truly the easiest and most effective way to increase engagement and conversions!

HOW IT WORKS IN 3 STEPS

STEP 1. Enter video ID and promotion details then upload to server

Just enter any public YouTube video ID and promotion details (logo, headline, caption and link to special offer e.g. coupon, discount or download) then transfer all files to your server.

STEP 2. Visitors play the video puzzle

When a visit the page, the script checks if the videos files exists (videoID.webm / videoID.mp4), if it does, the user can click to play the video puzzle immediately, If the file does not exist, it automatically downloads the video files from YouTube (with progress bar).

STEP 3. They claim your offer

If the user successfully completes the puzzle then can play again to beat their previous time or visit your link to claim your offer.

TOP BENEFITS OF SOCI VIDEO GAMER

Not only does this tool offers easy and fast installation (no database or app setup needed), you also get the following benefits:

1. Attract more

It helps you attract more visitors to your website, products or services on a daily basis.

2. Engage more

The video puzzle game engages them and encourages them to share their excitement with friends.

3. Convert more

People enjoy a challenge and like to be rewarded for their effort so playing the video puzzle game gets them invested to take action – visit and claim your offer! Helping you increase conversions like never before!.

Bonus #94: PageZon App

This is specially designed for you to list down Amazon affiliate store products on your Facebook fan page, This app will create a new tab “Amazon Store” on the fan page. This is a very good tool to combine with shopabot and make a presence on facebook to get more business and traffic to your store. Once you do it, your amazon listings will be loaded to your Facebook store and your Facebook visitors will be able to

see/buy your items by clicking on the same button from your Facebook fan page.

Here Are The Amazing Features We Have Customized Into PageZon:

- The application complies with all Facebook terms and conditions.
- Application is 100% responsive and works on every mobile device.
- Application supports multiple languages..
- Custom headers can be added with the store.
- Can grab a huge number of products from your amazon store.
- Display list of categories on your Application, used for filter products.
- Search your ebay store items on the base of keywords.
- Filter with respect to item types.
- Facebook comments, share, pinit, like are part of it.
- It is not necessary to be logged on to Facebook in order to access the Admin Control Panel
- Full support for the following browsers: IE8, IE9, IE10, Chrome, Safari, Opera, Firefox

Bonus #95: Bulk Blaster

This Can handle huge lists of emails without straining the server thanks to a powerful “threads” system that divides the email lists into smaller chunks. Supports a huge amount of features including external smtp servers.

These are the most notable features:

- Can handle huge mailing lists (tested with 300k+ addresses).
- Avoids mail server congestion, e-mails are sent in chunks you'll be able to monitor the process in real time thanks to the power of AJAX.
- Supports both csv files and mySQL as email lists. Easy to use with an existing mySQL database: create a schema or even a custom query to access your data
- Multiple configurations, switch between lists and mails with a simple click.
- Sends mixed html/txt emails. Sets the correct mail headers to avoid being marked as spam.

- Uses the powerful Pear Mail library (can fall back to the standard mail() function).
- Remote HTML parsing. Mailing Master can directly send a webpage (as well as a local file).
- All options are configurable from the web interface, and no database is needed for Mailing Master to work.
- Complete email validation, checks if the address actually exists with a dns query.
- GET strings passed to the template for user based customization.
- Powerful log system.
- Uses twitter bootstrap for the interface.
- PHP PHP4 compatible.

Bonus #96: WP Headline Pro

Every marketer tries different headlines on their sales pages and squeeze pages in order to maximize your sales and opt-ins. It's a fact that the headline on your page determines whether people will even bother to read the rest of your page. It's not easy to tell which headlines will convert well just by looking at them - but finding a good headline can easily double (or more) the response to your offer.

WP Headline Pro let you learn the tricks to write powerful headlines and earn more profit. Now you too can create highly engaging headlines that entice maximum visitors and convert them into lifetime customers.
