Logging into Canvas

This document covers logging in and accessing courses in Canvas at SBCC for both **Faculty** and **Students**.

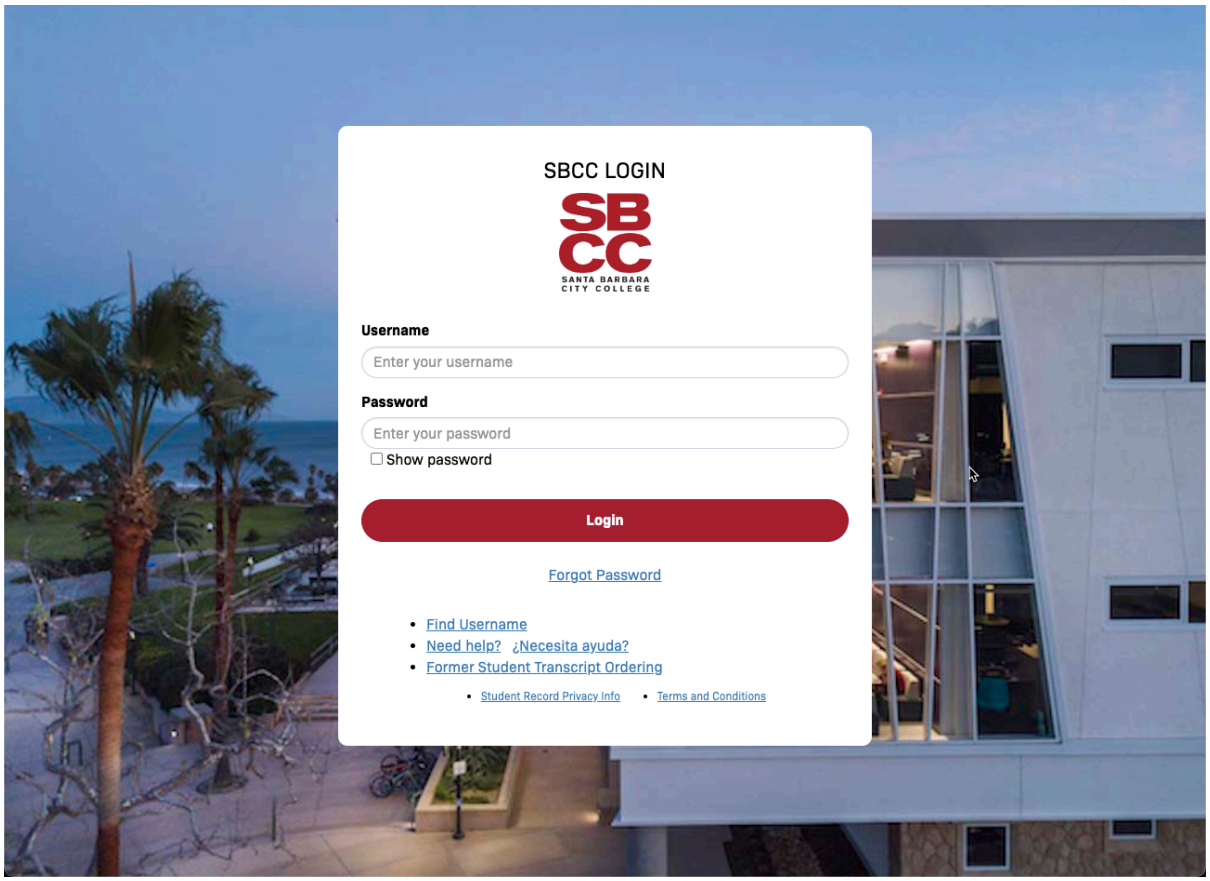

[1 - Logging into Canvas](#)
[2 - Finding your courses](#)

1 - Logging into Canvas

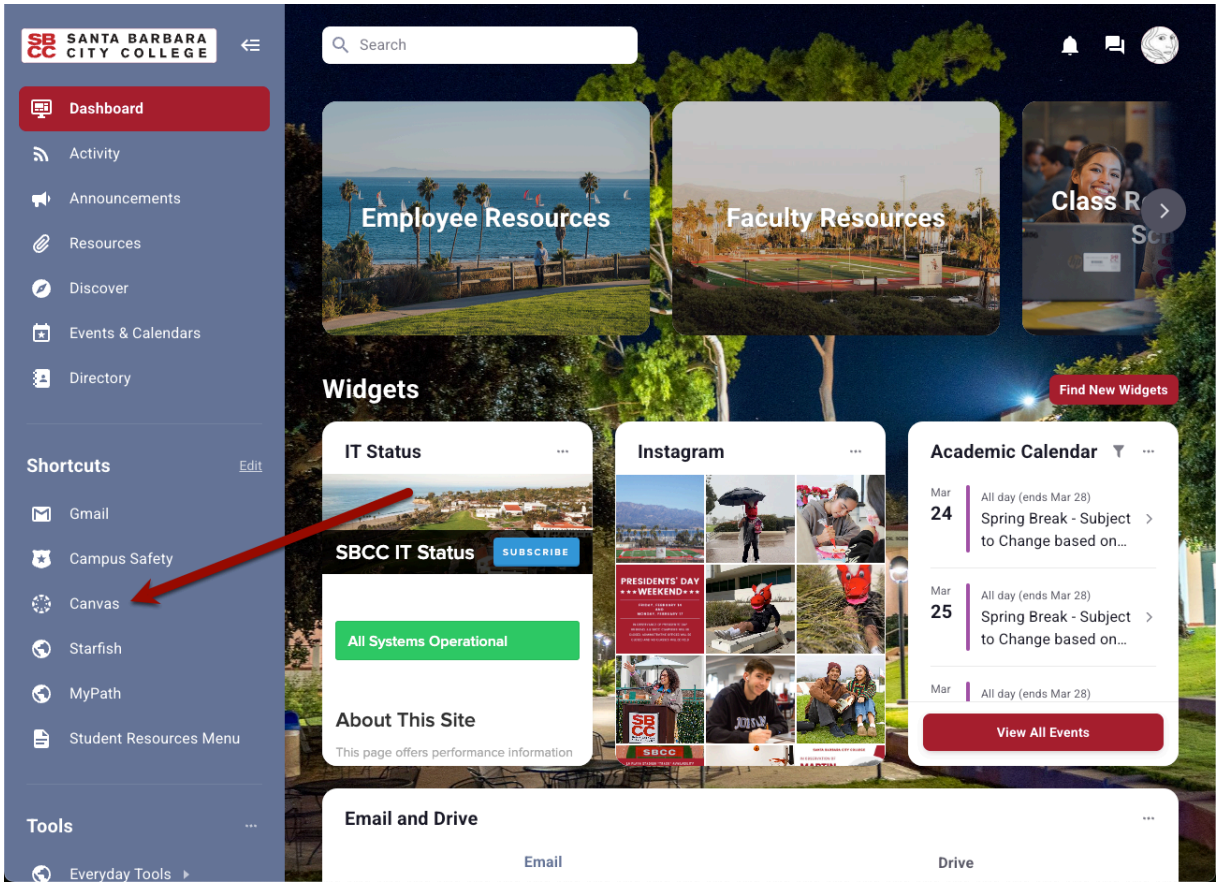

Go to sbcc.edu and click on “my.sbcc.edu”

Log in with your ID and password.

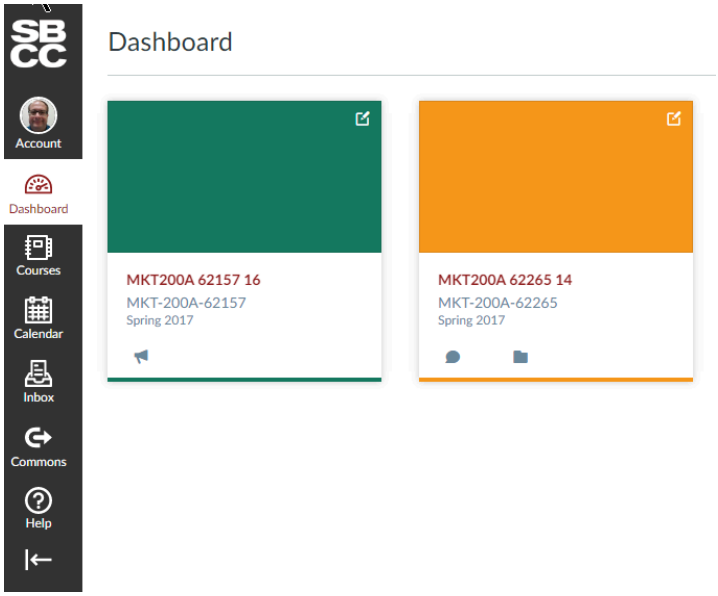

Click on the “Canvas” icon in the left-hand navigation bar.

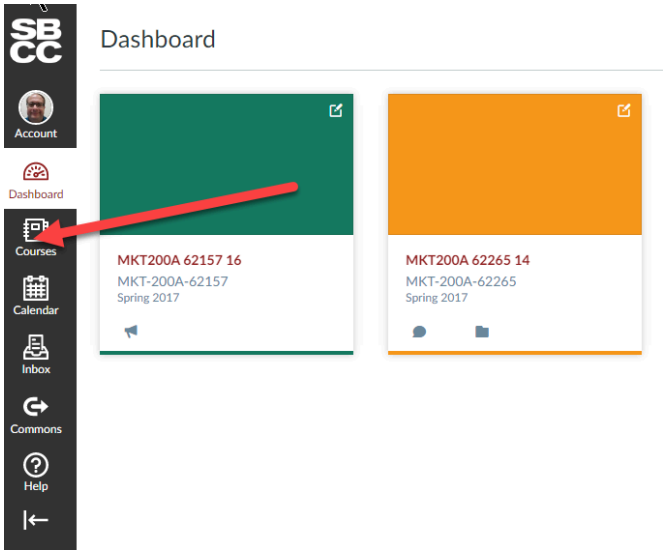

2 - Finding your courses

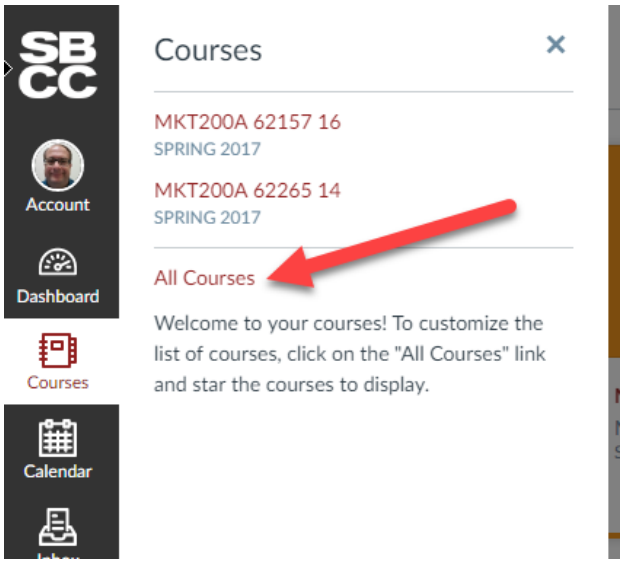

After logging into Canvas you will be taken to the Canvas dashboard. Here you will see the courses you are enrolled in.

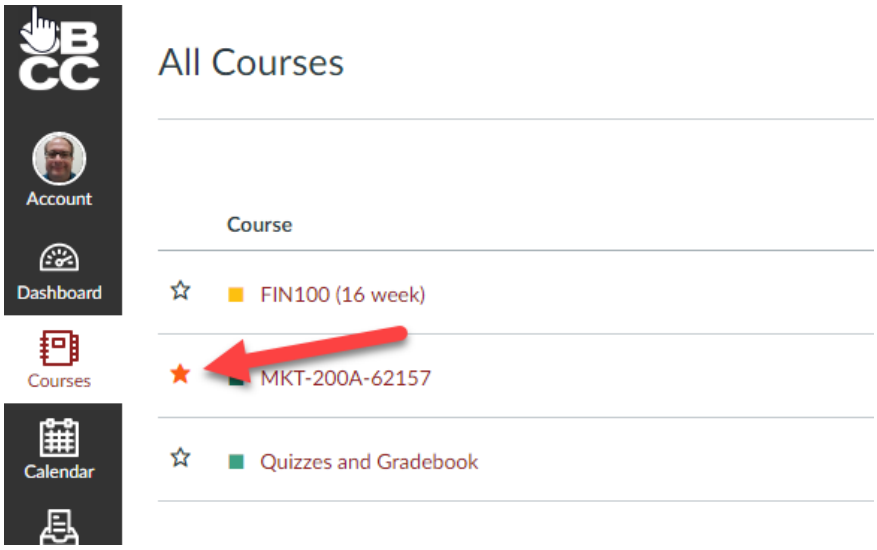

If you do not see a course you should have access to on your dashboard, click on “Courses” on the left.

Then click on “All Courses”.

Here you will find a list of all the courses you have access to. The courses that show on your dashboard will have a “filled in” star next to it. To get a course to appear on your dashboard, click the star next to it. **NOTE**: *if none of your courses are “starred” they will all appear on your dashboard.*

You can also enter courses directly from the “All Courses” screen even if the course is not on your dashboard.
