## Distance Learning (April 6th - April 17th) Senior English

## Hi, Senior English Students!

We sure do miss seeing you and we are SO hoping to get back to school as soon as it is safe. To help give you and us some sense of normalcy, we have created several assignments that are engaging and creative in nature. Please take advantage of at least ONE of these opportunities each week to keep your minds sharp during this time. We know some of you are filling your days with activity, but some of you might be bored to tears. Our hope is that we can give you something to do while also practicing some of the skills related to English class.

If you have any questions, please do not hesitate to reach out. We are available to answer any questions via email or we can schedule an audio Google Hangout/Meet if that would be easier.

Remember: Stay Calm, Stay Home, Stay Safe
