Notes and Questions

_____
_____
_____
_____
_____

Twenty-one and a half (21.5) units of credit are required for graduation. All students will also need to meet competency scores in Algebra 1 and ELA2 and earn at least two diploma seals.

Required within the **21.5** credit hours:

4 units – English
4 units – Mathematics*
3 units – Science*
3 units – Social Studies*
½ unit – Health
½ unit – Physical Education*
½ unit – Financial Literacy*
6 units – Electives*

***Mathematics** units must include one unit of algebra 2 or the equivalent of algebra 2.

* **Physical education** - School districts may adopt a policy that would exempt students who participate in interscholastic athletics, marching band, show choir, or cheerleading for two full seasons from the physical education requirement. Students must take another course, which cannot be a physical education course, of at least 60 contact hours.

* **Science** units must include one unit of physical sciences, one unit of life sciences and one unit of advanced study in one or more of the following sciences: chemistry, physics or other physical science; advanced biology or other life science; astronomy, physical geology or other earth or space science.

***Social studies** units must include ½ unit of World History, ½ unit of American History and ½ unit of American Government.

* **Elective credits** must include one or any combination of foreign language, fine arts, business, career-technical education, family and consumer sciences, technology, agricultural education or English language arts, mathematics, science or social studies courses not otherwise required.

* **Other state requirements** - All students must receive instruction in economics and financial literacy during grades 9-12 and must complete at least two semesters of fine arts taken any time in grades 7-12. Fine arts is not a requirement for students following a career-technical pathway.
