

## **Cranberry Scholarship Application**

Cranberry USA, a generous dental supply company, is looking for pre-dental and pre-dental hygiene students who share a passion and enthusiasm for bringing dental care to those in need.

### **Scholarship Details:**

1. Successful applicants will receive a \$750 scholarship to be used towards the cost of project fees for a GDR trip to Cambodia, Nepal, India, Guatemala, Mexico or Kenya.
2. Recipients will be responsible for remaining trip costs and their airfare to the project location.
3. Successful applicants will be required to submit a post trip report and short video clips as well as photos of their experience within 30 days of trip completion. Specific requirements will be supplied to scholarship recipients.
4. Cranberry will award an additional \$250 cash to any scholarship student who returns to the US and is accepted to dental or hygiene school.

### **Application Process:**

1. Eligible applicants include current pre-dental students, pre-dental hygiene students and recent college graduates who are applying to dental school.
2. Interested applicants should complete the Cranberry Scholarship application and submit to Global Dental Relief. Interested applicants must agree to reporting requirements requested by Cranberry and provide deliverables within 30 days of project completion.
3. Scholarship decisions will be made within 30 days of receipt. If approved, applicants will work with GDR staff to select a suitable date and location for service.

Applications can be submitted by email or by using the online volunteer application.

**Please answer the following questions:**

1. What is your current career goal in dentistry? How do you intend to pursue this goal?  
(Please give background on your education to date and the timing of your next steps.)

2. Why is dentistry your chosen field? What attracts you to working in dentistry?

3. Have you done previous volunteer work? If so, please list the organization, location and a brief description of your volunteer work.

4. Please explain why you are interested in working with Global Dental Relief and how it fits into your career goals for dentistry.

5. Global Dental Relief clinics are accomplished by a team of volunteers working together for six days of hard effort to bring first time dental care to children. Please explain what skills you will bring to this effort – what would be your strengths and weaknesses?

6. This scholarship pays for a *portion* of the total project fee. Successful applicants will be required to cover the remaining project fee and airfare. How do you plan to cover the remaining costs of attending a clinic?
