Western Illinois University Transfer Notes

1. Students seeking transfer admission to WIU will need to have at least 24 earned credit hours and a 2.0 cumulative GPA for all hours attempted.
2. Students with a completed AA or AS degree from an accredited community college will meet all their University General Education Requirements. Students without the degree can transfer classes as individual courses and an evaluation will determine which courses meet needed degree requirements.
3. Students must complete 60 hours from a 4-year institution and 30 of those hours must come from WIU.
4. For additional graduation requirements, please see the WIU catalog. Each student is assigned a major advisor at WIU who will assist students in their degree planning.

This guide is not intended to be a contract.

BHC and WIU reserve the right to make changes to their admission, graduation, degree, course and supplementary information. Students are responsible for meeting any required course pre-requisites, confirming all guide contents, and fulfilling all graduation requirements. Students are encouraged to work with their advisors to select courses that meet their educational objectives.
