- V. **Discussion Items** *(add items as needed) Budget for school plan and staff.*
 - a. **Budget Allocation and Development Presentation 1:** *Projected at approximately 4million with 343 students with a decrease of 46 students. According to allocations Lower grades are weighted higher due to paraprofessional in class. Budget is for human resourcing and non staffing. At the next meeting, based on new allocations school will have to reduce one teacher and one paraprofessional. School has been allocated CARES funding. School will like to add an additional Kindergarten teacher and EIP teacher (gain teacher back with CARES funding).
