

Student Feedback, Educ 206 DataViz For All, Jan 2022

Currently, this Google Document is set to: [Anyone can Comment](#)

1) Which aspects of the course helped you to learn?

If an item below helped you to learn, describe how or why. If not, skip it.

Hands-On DataViz book

Data Feminism book

Open-Book Daily Quizzes

Building Data Stories

Meeting with Community Partners

Collaborating with classmates

Meeting one-on-one with TA

Meeting one-on-one with instructor

Feel free to add any other aspects not listed above that helped you to learn

2) What do you *wish* you learned that this course did *not* address?

3) What advice do you offer for when I teach this course *next time*?
