

Election Day Paid Research Positions - Minnesota, New Hampshire & Wisconsin

Edison Research at SSRS is recruiting Exit Pollsters for the 2026 General Election.

Position: Exit Pollster

Date: Tuesday, November 3, 2026

Hours: Approximately 7:00 AM until polls close (varies by location)

Pay: \$325 for Election Day completion

Duties: Approach voters as they leave polling places, distribute surveys, tally results, and report data. Brief training and rehearsal sessions are required before Election Day.

Requirements: Reliable, professional, punctual, comfortable speaking with the public, and able to provide your own transportation.

Locations Available: Opportunities are available throughout Minnesota, New Hampshire, and Wisconsin.

To Apply: Email JMiller@SSRS.com with your name, phone number, ZIP code, and state of interest.

Paid promptly after completion of assignment requirements and return of project materials.
