English I

Extension Opportunities

The following extension opportunities are available to students who wish to participate in them.

Reminders:

*Use MLA formatting

*If you are having dialogue (speaking) use your novel as an example of how to do each voice as a different quote indented.

Option 1: **Write an epilogue.** Write an additional chapter to the story. Type your chapter on a google document so we can print it off when you are done. An epilogue is an additional chapter that connects to what has happened in the book so far.

Option 2: **Write an alternate ending.** Redo chapter 6. Pickup the story with Lennie having just killed Curley's Wife and realizing he has done a bad thing.
