About Vibes At Sunset & Electric Sun Society

Presented in collaboration with Boss Babes RVA

Vibes At Sunset is a free monthly community event series rooted in joy, culture, and collective healing. Powered by Electric Sun Society, a grassroots arts and wellness organization based in Richmond, VA, our mission is to bring people together through music, wellness, and creativity. Now in its third season, Vibes At Sunset has become a vibrant hub for connection—featuring live DJ sets, wellness activations, a diverse vendor market, food trucks, and local art in the heart of **Libby Hill Park**.

We center joy and creativity while welcoming people of all backgrounds to experience an inclusive space where music meets mindfulness. With your support, we can continue offering these experiences free to the public, compensating artists and wellness practitioners fairly, and building long-term community infrastructure that reflects the beauty of Richmond.
