

Hi All, I hope you had a pleasant holiday weekend. What holiday was it? Oh yes... Labor Day, well that was what we all did here, down on the farm. There just don't seem to be enough hours in the day or days in the week- a day off just isn't in the cards. We will rest in the wintertime!

The share for this week will be- Swiss chard, beans, red onions, beets, spaghetti squash, shishito peppers, bok choy, red-skin potatoes, sweet corn, and choice of an herb (cilantro, dill, parsley, or thyme). Premium shares will also include dandelion greens and scallions.

Enjoy, Farmer John
