BEFORE ELECTION DAY

- **Did you attend in-person training or online?**

- **What features of the training are the most valuable to you (Powerpoint presentation, manual, job aids, videos, hands-on)?**

- **How can we improve the training?**

- **How did you feel about the length of time the training took to complete?**

On Election Day

- **What were the top three challenges on Election Day for your team?**

- **Did you have any issues with any of the equipment?**

- **What was your favorite part about working with the equipment at the polling locations?**

- **Did you have any difficulty gaining access to your polling place?**

- **Did you observe or did the voters vocalize any concerns relating to polling place location, layout, parking?**

- **Did you have adequate wifi connectivity at your polling place?**

- **Did you have an adequate number of power outlets and extension cords?**

- **How well did the call center or team lead help you resolve procedural issues?**

- **How quickly did the Troubleshooter help you resolve equipment issues?**

- **If you requested additional supplies, did you get them on time?**

NEXT STEPS AND RECOMMENDATIONS

- **Was there anyone on your team, or yourself, who may be a good fit for an elevated role in the future?**

- **Anything you would like to share with us that would help us improve our service to you and to the voters of this county**
