Privacy policy

The purpose of this document is to provide information about which data is collected by the apps developed by us.

Our apps collect information about the app usage in order to find and fix issues that might not been found during the development process.

The app will also collect success or failures information to allow optimisation of the usage of users with the app features.

In order to do so, the app will send data to the app developer website, the data may include the following:

Session identifier, operating system, operating system version, device manufacturer, device identifier, game progress information - levels passed, failed.

The app might also include ads from third party vendors, in order to provide the user the ability to get rewards in exchange to watching ads.

Your mobile advertising id provided by the operating system (google or apple) will be shared with third party analytics providers and advertisers.

When you install and use **"Studio Name"** mobile applications, we can collect and process some of your data for different legitimate purposes.

You will find below explanations regarding the reasons why we may collect data.

Why is data collected?

"Sausage escape" and its third-party partners collect data:

- To provide you with the services you asked for
- To run analytics and understand how users interact with our product and services to improve them continuously

The third-party partners that **"Sausage escape"** will share the data with are:

- GameAnalytics
- Facebook Analytics
- Adjust
- Voodoo

Data deletion requests

To delete user data collected by **"Sausage escape"**, please reach out to **"vlad.smirnov@gmail.com".**

If you also want to request the deletion of the data that may have been collected about you or your device by our third-party partners that are acting as independent data controllers, you will find below the contact for each partner and the link to the relevant section of their privacy policies:

- GameAnalytics:
    - email: privacy@gameanalytics.com
    - privacy policy:

        https://gameanalytics.com/privacy/#6-changing-or-deleting-your-information
- Facebook Analytics:
    - email: none, please refer to the privacy policy
    - privacy policy: https://www.facebook.com/policy.php
- Adjust:
    - email: privacy@adjust.com
    - privacy policy: https://www.adjust.com/terms/privacy-policy/
- Voodoo:
    - *Voodoo does not collect any of your personal data and only provides an SDK package to retrieve the data collected by the above-mentioned partners. You can still contact them to request the deletion of their access to the partners' interfaces.*
    - email: dpo@voodoo.io
