## **RAIN PLANS**

Regardless of rain or shine, we are still going to Marshall! IF the weather does not cooperate, by around noon, we should know if the performance in the evening is indoors or outdoors. I will send out a REMIND message to EVERYONE once this is announced. Parents - If the show is moved indoors, you will still park in the same location but the performance is going to be held in the RA Facility (SMSU basketball gym). There will still be an admittance fee like usual but I have not heard how they plan to manage the spectators. Hopefully by then, I can pass on that information. Parents - hopefully you all can plan on attending regardless as it would be amazing to have cheering fans in the RA facility! If the weather DOES cooperate, the itinerary will stay close to what is below. If it doesn't, the only thing that changes is our clinic time moves to 1:55PM instead of 2:05PM. Everything else SHOULD stay on track.
