Details: Sunday April 12, Start 9:00am Finish 11:00pm – Start and finish at the Roskill Bike Hub, Wesley Community Centre, 740 Sandringham Road Extn Mount Roskill, 1041

Route map:

Route Description

This will be a chilled 2.7km ride for families with small children or grandparents with grandchildren. No minimum rider age, even balance bikes will be fine. On the Moonlight Ride last year we had lots of toddlers hooning it on their balance bikes. Our destination will be the playground at Owairaka Park. We will have morning tea there, bring your favourite snacks and drinks. We will stop on the way back at the Pump Track in Underwood Park. There is another playground in that park as well. We'll ride at a comfortable pace to suit all riders, with regular regroup points. If you haven't been along this section of the Awa, go [here](#) to see the background to its story.

Safety & Notes

Care givers must be responsible for the safety of children. We will cross two roads at Crossing Points, a marshal will stop traffic until we are all across.

Please bring water, sunscreen, and a rain layer. Helmets required by NZ law.

We keep to the left on paths and give way to pedestrians.

Please register by clicking [here](#). Thank you.
