

One Planet Afterschool Program

August 2026

Dear Families,

We hope your child(ren) had a relaxing, fun filled summer and everyone is looking forward to the new school year! For families interested in enrolling their child(ren) in the One Planet Afterschool Program, please use the registration packet provided. Session One will run from Monday, August 31 through Tuesday, November 24th. This year, One Planet's themed enrichment programs will begin on Monday, September 14th. More information on fall enrichments will be coming soon!

Our afterschool program will operate from 3:00 PM to 5:00 PM every day that school is in session with the exception of those dates listed below. Please plan to pick up your child by 5:00 PM each afternoon.

All One Planet sites will be closed on Friday, October 23rd for staff in service.

FINANCIAL ASSISTANCE: Please know that if the daily fee is too expensive, there are options available. We ask that families first apply for Child Care Financial Assistance through the VT DCF. Contact the Family Place for an application at 802-649-3268 or at <http://www.familyplacevt.org/child-care/>. If your family is denied but you have a need for aid, please reach out to your site coordinator. One Planet maintains a small scholarship program for families in need who do not qualify for subsidy.

HALF-DAYS: This year the school district has scheduled early release days on every other Friday. The One Planet program will operate from 12:00 - 5:00 PM on half days this year with the exception of Friday, October 23rd and Friday, December 22nd, provided our enrollment numbers indicate there is a need for afterschool care and programming.

Please complete and return registration packet and 50% deposit to your One Planet Site Coordinator prior to the start of the program.

Warm Regards,

Hayley Knight

SESSION I

Enrichment Programming Schedule

Monday	Tuesday	Wednesday	Thursday	Friday
Playground Games	Fiber Arts	Cheer and Gymnastics	Building Drawing Skills	Free Choice!
The Great Newton Bake Off	Magic Club	Iron Chef	Table Top Games	

Descriptions

Playground Games: Kickball, tag, sharks + minnows, etc. We will play all the games and take advantage of the wonderful Vermont Fall weather.

The Great Newton Bake Off: Get ready to lick the bowl as we follow along with some of the challenges from the Great British Bake Off. We will focus on following recipes, learning new techniques, and learning from our mistakes.

Fiber Arts: We will explore all areas of fiber arts and increase our skills in knitting, crocheting, sewing, felting, upcycled projects and maybe even make a few stuffed animals.

Magic Club: Zeke is back to help you build your deck and learn about the world of Magic: The Gathering. This collectible trading card game is full of fun and strategic games to play with friends. Whether you are worldbuilder, story lover, or gameplay enthusiast, the mission of Magic: The Gathering remains the same: Have fun while bringing people together.

Cheer and Gymnastics: Let's learn some Cheers and make some moves to support our Strafford athletes. We will continue what we learned last year and hopefully have some new material for our teams.

Iron Chef: Jr Iron Chef VT is a statewide culinary competition that challenges teams of middle and high school students to cook up a healthy original recipe in under 90 minutes. We had a ton of fun competing last year and can't wait for this year's competition in March. Iron Chef is open to 6-8 graders. Some 5th graders can join in but may not be able to compete. We are starting early this year so that we can try out different recipes and decide on our main dish.

Building Drawing Skills: We have noticed some amazing drawing skills amongst our students and we wanted to offer a program to let them practice and build those skills. We will focus on foundational technical skills and building creative confidence.

Table Top Games: This program is a chance to try out new games and introduce friends to some of your favorites. Zeke and Julia will bring in their favorite games and we will take input from students on what they would like to play too.
