Copper Beech Families,

We are excited to announce that our school will be hosting a Scholastic Book Fair again this year from November 17 - November 21. Students will shop during their library periods and we will host a special family night on Wednesday, November 19 for all interested shoppers. While you are here, make sure to also stop by the CB Multicultural Night!

More information will be shared closer to the Fair, but you can find more information at the Fair's homepage here: https://bookfairs.scholastic.com/bf/copperbeechelementaryschool

The Book Fair is one of the most anticipated events of the school year for students, but we need volunteers to make it happen. To volunteer, you will need the necessary Abington clearances. Your help is crucial in making the Fair a truly unforgettable experience.

All volunteer opportunities can be found here: https://tinyurl.com/cbfairvolunteer25

We truly appreciate all your help in making this event a success.
