

Student Voice- Teacher explanations

My teacher...	Always	Mostly	Sometimes	Rarely	Never
explanations are clear and understandable					
goes at the right speed					
teacher makes a clear points					
teacher loses track of what they are saying					
teacher says urr, um, em during their explanations					
teachers explanations emphasise important ideas					
explanations contain extra, unhelpful, statements					
Explanations review or summarise key ideas					
Makes mistakes when explaining					
Finish the explanation					
Build up/ breakdown complex ideas into chunks.					
Remind me of what we have already studied					
link ideas together					
Make clear what they are about to explain					
Make useful notes on the board					
Point/ highlight key parts of diagrams or idea on the whiteboard
