

Joining a Zoom Meeting on an iPad Directions for Students

Click on the Zoom link your teacher has sent to you. As long as Zoom has been installed on your iPad, you will then be asked to enter your meeting passcode.

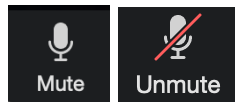

Click Join With Computer Audio.

Click the Start Video icon to allow yourself to be shown in the meeting.

Because many people will be participating in Zoom meetings at the same time it is important to mute your microphone when you are not speaking.

You can also join a zoom meeting by opening the Zoom app on your iPad.

1. Click Join a Meeting

Start a Meeting
Start or join a video meeting on the go

Join a Meeting

2. Enter the Meeting ID
3. Type your name under where is says Screen Name
4. Click Join

The screenshot shows a mobile app interface for joining a meeting. At the top, there is a header bar with a blue 'Cancel' button on the left and the title 'Join a Meeting' in the center. Below the header, there is a text input field labeled 'Meeting ID' with a dropdown arrow on the right. A red arrow points to this field. Below the 'Meeting ID' field, there is a button labeled 'Join with a personal link name'. Below this button, there is another text input field labeled 'Screen Name' with a blue cursor. A red arrow points to this field. At the bottom, there is a large blue button labeled 'Join'. Below the 'Join' button, there is a line of text: 'If you received an invitation link, tap on the link again to join the meeting'.
