Online Payment Directions:

For those who have used the on-line payment system before just input your email address and your password. If you do not remember your password and cannot retrieve it from the retrieval link, please call the soccer office (404-371-3314). We can resend your password to you.

For those who have never used our YMCA on-line payment system please follow the below directions to "set-up" your online account:

1. Click on "set-up an account"
2. Click on "find me" if your child has ever participated in a YMCA program – if not, then create a new account.
3. To Find Me - Enter last name, child's birthdate who participated in the program, zip code, and then the child's personal ID number. (Personal ID

number is found in Spirit and is the number assigned to the individual – do not use the Household number as it won't work)

4. Enter and then it should find their household. Once they find their household then they can finish the process of setting up the on-line account.
5. Click on find or register for programs (it will kick you back out of the system and you will need to re-log in)

How to choose payment plan options:

Follow on-line registration as normal by choosing the child and the class and proceed to checkout.

Once you get to the "Registration Charges" (see example below) page follow the below instructions:

- Click on "Bill Method" and choose "Auto Charge" (You must choose auto charge if you want the payment option)
- Choose billing start date of July 1, 2024
- Select "bill me" times:
 - For the Three (3) Payment plan - **choose 2**. (You will make 2 additional payments after today's initial payment)
 - For the Five (5) Payment plan - **choose 4**. (You will make 4 additional payments after today's initial payment.)
- Choose "bill me every 1 month".
- Click on "Auto Charge Info" to input your credit card information.
- Click on "View Billing Schedule" to view payment amount and date for future payments.
- If you notice a mistake on the billing schedule then you can go back and make changes.

You will be charged \$150 (Pre-Academy) or \$250 (Academy & Select) for the deposit and that is due at the time of registration. Unfortunately, the system will not allow you to change that amount and pay more for the first payment on-line. You can however pay off the full amount sooner than what is set up to auto-charge.

If you are on a scholarship or receive any type of discount (team manager) then you cannot do on-line registration as the system will not allow discounts. You will have to come into the Y to be registered as the staff will have to override the system to give the discount.

If you have any questions or problems using the on-line system first click the "Live Chat" button. They can assist you. If you still have issues please call the soccer office at #404-687-2525 or email Kathy Frisbey, kathyf@ymcaatlanta.org.
