

KIWANIS NEEDS YOUR HELP!

September, 2025

Dear Community Supporter,

I hope this message finds you well. On behalf of the Kiwanis Club of Watseka, I am reaching out to invite you to join us in making a lasting difference in the lives of children and families in our community.

As you may know, Kiwanis is a global service organization dedicated to improving the world one child and one community at a time. Here in Watseka, our local organization is actively engaged in a variety of meaningful projects—whether it's providing school supplies to underserved students, sponsoring youth leadership programs, awarding annual scholarship(s), reading in kindergarten classes, organizing fundraising activities, or supporting local families in need.

These impactful initiatives are only possible through the generous support of individuals and organizations like yours. We are currently seeking donations to help fund our ongoing efforts and to strengthen the reach of our service for our community. Your contribution—no matter the amount—will directly support projects that promote education, health, and overall well-being for children and families. As an organization, we are focused on serving kids particularly through the causes of health and nutrition, education and literacy, and youth leadership development. Many of our efforts go directly towards supporting our Unit 9 students!

We would be honored to list your name or business as a supporter in our promotional materials and event signage, if you wish. More importantly, you'll be helping to strengthen our community and build a brighter future for the next generation.

Contributions are the backbone of our work and finding donors has become increasingly more difficult in this day and age. Donors like yourself are critical in fulfilling our mission and work. If you're able to contribute, donations can be sent to Kiwanis Club of Watseka, P.O. Box 22, Watseka, IL 60970. For any questions, or if you'd like to get more involved, please don't hesitate to reach out. We are seeking new members in helping us meet the needs of our children, families and community endeavors.

Thank you for considering this request. Together, we will continue to make a positive impact.

With humble gratitude in support of our mission.
