

You can pay your school fees online using this platform!

MySchoolBucks (MSB) is a platform that JCPS has used for many years to allow parents to add money to their student's meal account online. Now JCPS is using this same platform to allow parents to pay for many other items their student may need throughout the school year, such as registration/class fees, event passes, game tickets, donations, field trips, and much more.

Signing up for an account is simple! Go to the MSB website [by clicking here](https://www.myschoolbucks.com), or going to this webpage <https://www.myschoolbucks.com>. Click on "Sign up free", then search for the state your school district is in (Kentucky), select the district (Jefferson County Public Schools), fill in your contact information, and add student(s) to your account. All you need to have on hand for your student is their school name, child's first and last name, and birthdate then you're good to go!

Adding your default payment method also makes check-out quick and easy. Once you're logged in, go to your profile icon in the upper right side of the screen and click on "My Billing Accounts" to get started. Note that the "AutoPay Settings" are strictly for low balances with meal accounts.

Once you start to receive invoices for your child via email for items like registration or course fees, a notification will pop up each time you log in, alerting you of outstanding invoices that are linked to your child's (infinite campus) class schedule. Simply add them to your basket and checkout, using the default payment method you set up or a different payment method.

If you have any questions regarding your login information or the site settings, reach out to the MSB support team via online chat on the website or by calling 1-855-832-5226 (M-F, 7AM - 7PM). If you have questions regarding a particular invoice or product you want to purchase, please contact your school's bookkeeper for more information and they can help get you the answers you need.

We hope this new platform will help you easily and conveniently pay for items your JCPS student may need throughout the year. Thank you!
