Which Session Should I Attend?

- **K-5 Classroom Teachers** will host two 30 minute sessions on open house night (Session 1 & 2). They will present the same information at both sessions so you only need to attend one. This is to accommodate those families that have more than one child at our school. You may attend the session that works best with your schedule. (If you have three children at Mathewson we can work with you to make your plan)!
- **Specialists and Support Staff** will be in the Media Center and/or Gym for the evening. You will have the opportunity to visit and say "Hi". A list of where each of the staff members is will be listed in our main lobby that evening.
- **Building Administration:** On the day of Open House please click the link above to view our Mathewson Welcome Message. Ms. Currier and Mrs. Nichols will be present in rooms throughout the night to welcome you more personally.
