

Title One Fact Sheet

- **South Shelby Elementary is a School-Wide Title One Building.** This means that ALL students can benefit from Title One services & funding.
- **Who?** Mrs. Mitchell, Mrs. Bowen, and Mrs. Patterson are Title One teachers that work with the classroom teachers to give our students the best education possible.
- **What?** The Title One Team focuses on Communication Arts (reading & writing) and Math. They lead small groups in reading, and math & reading intervention groups. These teachers may also push-in the classrooms to team-teach during reading or math.
- **Where?** All grade levels receive Title One services.
- **Why?** South Shelby Elementary is designated as a School-Wide Title One Building. This benefits all students in our school so that the Title-One teachers can collaborate with the classroom teachers to serve our students in the BEST way possible.
- Title One teachers use the core reading & math programs to lead small groups. Some other programs that we utilize are called Wilson Reading System and FUNdations.
- The Title One program also encourages parents to be a resource at home. Parents are a valuable resource for children, and we consider you partners in the education of your children.

Please let us know if you have questions or concerns about Title One.
