

Media Team Members (2 team members)

Capture the Journey of Formula Goblin

As a **Media Team** member, you will document the entire Formula Goblin project, capturing key moments through photos and videos. You'll create content that shows the team's progress and helps promote the project. You will work closely with the Marketing Team to ensure that sponsors and the community stay informed, and your work will play an important role in showcasing the team's journey.

Responsibilities:

As a **Media Team** member, you will:

1. **Document the Team's Journey**
 - Capture photos and videos of key moments like car assembly, test runs, fundraising events, and race day.
 - Document team meetings, preparations, and behind-the-scenes moments.
2. **Create a Visual Diary**
 - Organise photos and videos in order, showing how the team's work has progressed.
 - Help put together a final team portfolio, which includes photos, captions, and reflections on the project.
3. **Produce Promotional Content**
 - Create media content, such as videos or photos, to promote the team in newsletters, social media or presentations.
 - Capture moments from fundraising events and sponsor engagements to highlight community support.
4. **Provide Race Day Coverage**
 - Take photos and videos of the team's activities, the car's performance, and the race itself.
 - Interview team members, including Drivers and the Pit Crew, about their race day experiences.
5. **Edit and Finalise Content**
 - Edit and organise photos and videos to create high-quality content that reflects the team's work.
 - Ensure that media content is well-organised and ready for use in promotional materials or presentations.

Key Skills:

- **Photography and Videography**
 - Ability to take clear, high-quality photos and videos during important events.
- **Teamwork and Communication**
 - Work closely with other team members and departments to capture the best content.
- **Content Editing**
 - Ability to edit photos and videos to make them polished and visually appealing.

Qualifications:

- **Interest in Photography, Videography, and Editing**
 - A passion for capturing important moments and creating visual content.

- **Some Experience with Cameras or Editing Tools**
 - It's helpful if you've taken photos or videos before or worked on editing content.
- **Willingness to Learn and Collaborate**
 - Ready to work as part of a team and develop new media skills.

How to Apply:

To apply for the **Media Team**, please submit:

- A short paragraph explaining why you are interested in **media production** and what you hope to contribute to the team.
- **Create Promotional Media**
 - Design a poster, flyer or other media to promote the Formula Goblin project within the school or to the community. Include key details that make people want to sponsor, support or get involved with the team.
- One page document or video explaining how you've worked in a team to achieve a shared goal.
