

ROUND 1

PRESENTER NAME:

PROTOTYPE NAME:

Peer Feedback Choice Board

Directions: Select TWO prompts (one warm and one cool) from the peer feedback choice board to provide your classmate with specific, meaningful, and kind feedback. Each prompt will relate to one of four elements of the presentation (the research, the product, the pitch, other) Capture your feedback in the space below the choice board!

Warm Feedback:

Greatest Strength

Identify the strongest aspect. What specifically was strong? Why do you think this element was particularly powerful or well done?

Mind Blown

Identify something that you loved and had not considered in your own process or product? How might it have helped you?

Celebrate Surprises

What surprised you about this student's work? Was there an aspect of their work that was unexpected, outside-of-the-box, or particularly thought-provoking?

Cool Feedback:

Hungry for More

Identify a part that needs further development. What would you have enjoyed knowing more about or having more information on?

Tiny Tweaks

Identify one aspect that would benefit from a minor adjustment, modification, or tweak. What would you suggest the student rework or reimagine?

Clarifying Confusion

As you were watching was there anything unclear, confusing, or that left you wondering? Can you identify the specific element(s) that would benefit from clearer language and/or more explanation?
